Washington, DC 20201

Dear OCC Director:

This letter describes how Agdaagux Tribe of King Cove plans to use the Child Care and Development Funds (CCDF) awarded under the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA). We understand that this description will be used for the purpose of informing the Office of Child Care, Administration for Children and Families and Congress how our Lead Agency anticipates using the funds to support the child care needs in our jurisdiction.

We plan to use CRRSA funds for activities in the following categories:

**1. Direct Services/Subsidies**

- Temporarily waiving parent co-payments for care
- Enrolling essential and frontline worker families in our child care program to assist them in covering the cost of child care through subsidies

**2. Implementation of Virus Mitigation Policies and Practices**

- Create a one-page virus mitigation reference sheet and distribute it to providers
- Purchase and distribution of supplies for providers, such as sanitation and cleaning products, masks, hand sanitizer, and other PPE related items.

**3. Assistance to Providers Not Participating in the Subsidy System Prior to the Pandemic**

- Enrolling more children in our child care subsidy program with income requirements temporarily changed to allow more families to qualify, and in turn add more providers to the subsidy system

#### 4. Other

- Purchase and distribution of essential items to child care providers for in-home care use, such as diapers and baby wipes, paper towel, toilet paper, hand soap and sanitizer, and activities for children during in-care hours

The Agdaagux Tribe of King Cove will amend our CCDF plan as a result of activities implemented under CRRSA funding not currently described in the plan, within 60 days of implementation.

Sincerely,

/s/

Etta Kuzakin

President

Agdaagux Tribe of King Cove
